

PENDA Science Learning Journal

Name: _____ Date Range: _____ to _____

- Directions:**
1. List the Penda science activities you've completed during the week.
 2. For each activity listed, tell how many times you completed it, what your scores were, and what you learned.

Activity Name	Completed On	First Score	Last Score	Best Score	Number of Attempts	One thing I learned in this lesson...

I completed _____ activities.

I scored 80% or higher on _____ activities.

My avatar currently has _____ points.

Something I need to think about or do differently next week is:
