

PENDA SCIENCE SCHOOL ADMIN QUICK START GUIDE

How to Monitor Classes With
Teacher Vacancies or Long-term Subs

1

SHOW STUDENT LAUNCH VIDEO

- Show students the All-New Penda Science Student Launch Video (8:45 minutes)

- Find and click on the Penda Learning tile in ClassLink or Clever.
- Or, go to pendalearning.com. Click *Login*, then click *Student*.
 - Use all lowercase letters to log in.
 - Account ID: usually district name
 - Username: usually student ID
 - Password: usually student ID

Please contact your implementation specialist or support at Support@PendaLearning.com if you are unsure of your account ID or the student username format.

Weekly Student Usage Goals:

- Goal 1: Complete all activities assigned for the week
 - Developing --> Achieving --> Exceeding --> Mini-Assessment
- Goal 2: Score at least 80% or better on each activity, even if it takes multiple attempts.

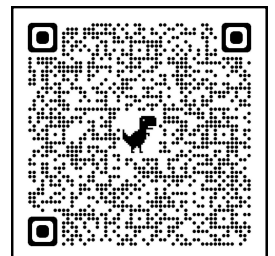

2

FACILITATE STUDENT LOG-IN AND USAGE OF PENDA SCIENCE

3

MONITOR AND REPORT STUDENT PROGRESS (BI-WEEKLY)

- *Available to staff members with a Penda Science school administrator account, watch a short video walk-through here.
- Sign in to your Penda Science school admin account.
- In the left navigation bar, click *Classes*.
- Target a specific class period with a vacancy or substitute and click the corresponding *View* button.
- Scroll to find a recent assignment and click the corresponding *View* button.
- Refer to the "score" column to report student grades in Canvas, Schoology, or other grade book.
